Access rail track to run track vehicle within defined worksite											X
Operate road/rail vehicle											X
Certificate of Currency - MTM Track Vehicle Operator 1 (3) (4)											X
Level 5 On-Track Maintenance Machine Competent Person (5)											X
National / Network Job Roles that must be added to a RIW Cardholders Profile											
MTM - Operator		X	X	X	X	X	X	X	X	X	X
Around The Track Person National (Construction and Maintenance) - National		X	X	X	X	X	X	X	X	X	X
Rail-Bound Plant Operator - National											X (1b)
Road-Rail Plant Operator - National (6)											X (1b)

Matrix Code:

X Mandatory

X (1a) - Either Competency is accepted

X 1(b) - Either Job Role accepted dependent on piece of plant being operated

(2) - This replaces MTM - Safeworking Level 1 Job Role

(3) - Valid for 2 years

(4) - Certificate of Currency is a copy of the Statement of Attainment for initial training (issued by one of Metro's approved providers) or a Certificate of Completion to the relevant safeworking "Renewal Course" delivered by Metro Academy only.

(5) - Valid for 2 years

(6) - If operating a Road-Rail Plant on the MTM Network, you must also add the National Civil Plant role applicable to the piece of plant, eg. Backhoe - National

Notes:

If a unit code or title that you hold differs slightly to that listed on the Matrix please contact Competencies@metrotrains.com.au for clarification

All Third Parties wishing to undertake a Safeworking role within Metro's Rail Corridor are required to complete the Safeworking course with Metro or one of Metro's approved providers.

Since the learning outcomes of this course exceed the elements and performance criteria listed in TLI training package, individual's who obtain this unit from any other provider will require further training before this compliance requirement can be achieved. For a list of Metro approved training providers please refer to the following web address.
